

## Call for Applications

### Think Space Ukraine Media Fellowships

The Center for Interdisciplinary Ukrainian Studies “Denkraum Ukraine” (“Think Space Ukraine”) at the University of Regensburg is financed by the DAAD through funds from the German Federal Foreign Office (AA) from 2024 to 2028. It brings together expertise in Ukrainian history, culture, politics, law, and economics. The Center aims to establish an internationally visible hub for knowledge exchange and interdisciplinary research and education on Ukraine. The work of “Denkraum Ukraine” is organized around four research areas: language and cultural heritage, war and peace, migration, and regional diversity. Through events and collaborations with partners in Ukraine, Germany, and other countries, “Denkraum Ukraine” fosters academic exchange and creates a platform for cross-disciplinary dialogue.

We are pleased to announce a call for applications for our 2026 Think Space Ukraine Media Fellowships.
